Dear Qi LIU

I wish to advise that a decision has been made on this application and visas have been granted on 01 February 2016 to the applicant(s) listed in the attached Visa Grant Notice, which contains important information about your visa(s).

Please keep a copy of this letter and the Visa Grant Notice in a safe place for your reference.

Please note: if your application contained multiple applicants, each applicant that has been granted a visa will be sent their own Visa Grant Notice. Any other applicants should not make arrangements to travel to Australia unless they have received their own Visa Grant Notice.

The date on this notification, and the date of visa grant, are according to Australian Eastern Standard Time [UTC +10] (incorporating Daylight Saving Time [UTC +11], if applicable) on the relevant day. Depending on your location, these dates may differ by one day from your local date and may be in the future. Despite this, your Australian visa is already in effect - there is no need to delay travel to Australia until the commencement of the later day.

If you have questions about this decision, or the process or information that was taken into account, you may contact us by any of the means listed below.

Up until the time you arrive in Australia, you are required to tell us about any changes to your circumstances that may affect any answer to a question in your application form

including your name, passport, contact details, address or family members as soon as possible. You are required to do this in writing and can use *Form 1022 Notification of changes in circumstance (Section 104 of the Migration Act 1958)*, which is available at www.border.gov.au/forms/Documents/1022.pdf. Failure to notify the department of your new circumstances can have serious consequences and your visa may be cancelled.

After you arrive in Australia, it is still important that you tell us about any changes to your circumstances as soon as possible. You are required to do this in writing and can use one of the forms available at www.border.gov.au/Lega/Lega/Form/Immi-FAQs/i-have-lodged-my-visa-application-but-things-have-changed-how-do-i-update-my-application

Polio vaccinations

On 5 May 2014, the World Health Organization (WHO) Director General declared the recent international spread of wild type polio virus to be a Public Health Emergency of International Concern under the International Health Regulations (IHR). Nine countries, listed below, have been identified as having suffered recent outbreaks of polio.

If you are from one of the countries listed below, or have spent 28 days or longer in these countries on or after 5 May 2014 we encourage you to have a polio vaccination prior to departing for Australia. Having the vaccination will also assist in eradicating the spread of polio.

To obtain maximum benefit in assisting with the eradication of the spread of polio, it is advisable to have the vaccination at least 4 weeks prior to your travel.

Australian Working Conditions

Overseas workers – know your workplace rights

Pay rates and workplace conditions are set by Australian law. All people working in Australia, including those from overseas, have rights and protections at work. These cannot be taken away by contracts or agreements.

If you have questions about your pay and conditions while in Australia, you can contact the Fair Work Ombudsman for free help.

Visit fairwork.gov.au for information for visa holders and international students. This includes information in 27 languages. There are also a range of helpful videos at www.youtube.com/fairworkgovau about working in Australia in many languages.

You can also contact the Fair Work Ombudsman by phone within Australia on 13 13 94 (Translating and Interpreting Service 13 14 50).

The Fair Work Information Statement which is available in 27 languages also provides important information, www.fairwork.gov.au/employee-entitlements/national-employment-standards/fair-work-information-statement.

What are my minimum rights and conditions at work?

Pay

Your minimum pay rate can come from an award, enterprise agreement or other registered agreement, or the national minimum wage. Employees have to be paid the right pay rate for all hours they work, including time spent:

- training

- in team meetings
- opening and closing the business
- doing a trial shift.

National minimum wage

Certain employees may have different pay entitlements depending on whether they have a reduced work capacity because of disability, if they are under the age of 21 or if they are an apprentice or trainee. You can calculate your correct pay and entitlements using the Pay and Conditions Tool at: www.fairwork.gov.au/pay

Employees that are employed on a casual basis will also receive a “casual loading” on top of their hourly rate in lieu of any annual or sick leave entitlements.

The national minimum wage is reviewed every year and may change.

What is not okay at work?

Every employee has protections at work:

- you should not be bullied or harassed
- you should not be discriminated against
- it is ok to ask your boss, the Fair Work Ombudsman or someone else about your pay and conditions.

You can find more information about discrimination, bullying, harassment and protections at work at www.fairwork.gov.au/employee-entitlements/protections-at-work

Helpful hints when you start working in Australia:

- keep a diary of days and hours worked
- keep copies or records of employment details, pay slips, agreements and superannuation and tax documents.

Remember there are always Government contacts that can help you if you get stuck.

Can I get into trouble for talking to the Fair Work Ombudsman?

No. Your employer cannot treat you differently, terminate you or take away your entitlements for talking to the Fair Work Ombudsman.

Can my employer cancel my visa?

No. Employers cannot cancel visas. Only the Department of Immigration and Border Protection can grant, refuse or cancel visas.

Health insurance

Your visa has been granted with condition 8501 which means that you must maintain adequate arrangements for health insurance (generally Overseas Student Health Cover) while you are in Australia on this visa. You must not enter Australia before your Overseas Student Health Cover has begun. You must not remain in Australia on this visa after your Overseas Student Health Cover has expired.

Students from Norway, Belgium or Sweden may not need to maintain Overseas Student Health Cover. More information is available on our website at www.border.gov.au/Trav/Stud/More/Health-Insurance-for-Students

Information pack on domestic and family violence, sexual assault and forced marriage
